Creative Structures

Creative Structures B.V.

Since 2009 Creative Structures has been a global player in the production and distribution of tent structures, furniture and flooring within the hospitality, leisure and event industry. We offer distinctive, high-quality and innovative products with an eye for design and safety. Over the years Creative Structures has grown into an organization operating in more than 60 countries. Many well known brands opted for Creative Structures during the biggest events and festivals around the world.

GRILLING STRUCTURE

A structure with integrated hood completes your outdoor grilling experience!

Thanks to a specially designed industrial grilling hood, you can cook inside the closed structure. The Grilling Structure is perfect as a pop-up restaurant or for show-cooking events.

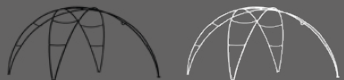

CUSTOMIZABLE

Boost your brand with our customization options! Our structures can be branded with your logo or even full colour printed.

COATED FRAME

The frame can be coated in any RAL colour.
