| Dimensions Decking for hot tub                                                      | Material     | Certifications   |  |
|-------------------------------------------------------------------------------------|--------------|------------------|--|
|  | Douglas wood | FSC® Certificate |  |

# WATER AND ELECTRICITY CONNECTIONS\*

\*The water/drainage and electricity connection is based on the room layout shown and may differ per project.

Connections for electricity, water supply and drainage must be provided by the buyer. No specific permits are required. However, this may differ per country or state. Check this yourself in advance.

 Water and drainage  Electricity connection
