

Bamboo decking

When choosing a material to create an exterior decking; beauty, strength and all-weather performance are important. A high performance bamboo for decking will stay flat and not warp, split, or be affected by fungi, water uptake or rot. It is also crucial that the bamboo is non-toxic and therefore totally safe for people and pets. Bamdura® long life bamboo for decking meets every one of these exacting requirements.

Vertical: top reeded and bottom wide groove profile, 2 side grooves

Code	DV-01
Length (mm)	2200 - 4880 mm
Width (mm)	90 - 200 mm
Thickness (mm)	18 mm

Vertical: top reeded and bottom flat profile, no groove

Code	DV-02
Length (mm)	2200 - 4880 mm
Width (mm)	90 - 200 mm
Thickness (mm)	18 mm

Vertical: top reeded and bottom flat profile, 2 side grooves

Code	DV-03
Length (mm)	2200 - 4880 mm
Width (mm)	90 - 200 mm
Thickness (mm)	18 mm

Vertical: 2 side flat profile, no groove

Code	DV-04
Length (mm)	2200 - 4880 mm
Width (mm)	90 - 200 mm
Thickness (mm)	18 mm
