

**The T6 SOS-pedestal:
A safe feeling...**

T6 SOS

The TallyKey T6 SOS-pedestal is a perfect supplement to an existing TallyKey installation, or it can be used stand-alone for situations, where only SOS-points are required.

As standard, the T6 SOS is prepared for both fire extinguisher and life buoy, and as an option a low-energi T6 style lamp can be fitted at the top.

Please ask your TallyKey distributor or contact TallyKey A/S for more information.

Technical specifications

- Dimensions: (w) 45 * x (d) 24 x (h) 116 cm. Weight: 13 kg.
- Colour: SOS red, RAL3002.
- Prepared for 6 kg. fire extinguisher, max. size Ø147 x L500 mm.
- Prepared for life buoy Ø750/440 mm, according to IMO & 96/98/CE.
- Can be delivered with a low-energy lamp at the top.
- Standard mounting-flange for concrete.

The T6 SOS holds a fire extinguisher internally.

Furthermore, it can be delivered with a life buoy, Ø 75 cm., mounted on the outside.

** Width is 75 cm. with the life buyo mounted.*

*The T6 SOS is delivered without the fire extinguisher, as testing and control routines should be attended by a local supplier.
The life buoy is not included, but can be supplied upon your request.*
